This is truly one of the most amazing primeval forests, featuring 16 terraced lakes, laced together by waterfalls and miles of wooden walkways and bridges. Take advantage of the park's free boat and train rides to get the most out of your visit and enjoy a picnic lunch at one of the park's al fresco dining areas. Our journey continues to the historic port city of Split, Croatia's second-largest city. This bustling city offers a perfect balance between traditional and modern lifestyles. The jewel in the center of town is the breath-taking Diocletian's Palace, a UNESCO World Heritage Site and one of the most impressive Roman monuments in the world. Enjoy a typical Dalmatian dinner, then stroll along the lively harbor by the sparkling Adriatic Sea.

### DAY 4 - SPLIT

On our morning tour of Split with a local historian, we explore the ancient palace built in the early 4th century as a retirement estate for the Roman Emperor, Diocletian, who spared no expense on the palace. He imported marble from Italy and Greece, and columns and sphinxes from Egypt. Today the palace is a living monument, with residences and colorful shops that started to occupy the ruins around the 7th century.

After lunch on your own and time to explore the town, our journey continues to Trsteno Arboretum, the oldest arboretum in this part of the world. It was built in the late 15th century to house plants and seeds brought back from foreign countries by the Gozze family. The aqueduct used for irrigation purposes is still in use today, and the stunning Belvedere Pavilion overlooking the Dalmatian Coast and Adriatic Sea was featured as the gardens of the Red Keep in the Game of Thrones® TV series. Our local historian will take us on a walk through the ancient city, including Fort Lovrijenac, often called "Dubrovnik's Gibraltar," and along the 25 meter high city wall which has protected the city from pirates and unwanted guests for centuries. Enjoy some of the best views of Dubrovnik, overlooking the red-roofed, terracotta skyline. Be enchanted by the city's marble streets, imposing stone walls rising from steep cliffs, churches, monuments and picturesque coves and beaches.
